## THE EBRO LANDS

**ORGANIZE YOUR TRIP WITH US!**

### The Delta on hand

Duration: **3h**

Small groups: **95/105€** per service.

Geographical immersion in Ebre landscape. Discovery of its ecosystems, its traditional activities and the world of rice.

An excellent first taste of the Delta that will not disappoint you!

### The great birding show

Duration: **3h30min**

Small groups: **100/110€** per service. +**2,5€/pax** (*Casa de Fusta Museum*).

Initiation into ornithology starting with a watching tour of the main species along the viewpoints over the lagoons that ends at the best wildlife observatory of the Delta of Ebro. Would you like to discover it? Make up your mind!

### Photographic sunset among Flamingos

Duration: **2h.**

Price: **37,50€/adult**, **20€/kid** (under 8 years old), Bebés (under 4 years old) **Free**

Visit to the SEO BirdLife reserve - Riet Vell and its bird observatory. From there we depart by car to capture the beauty of the sunset and its golden tones at the best point to spot flamingos (Tancada lagoon). The route ends with the sunset in Barra del Trabucador. Perfect route for lovers of wildlife photography.

### Birdwatching in the Ebro Delta

Duration: **2h30min.**

Price: **37,50€/adult**, **15€/kid** (under 8 years old), Bebés (under 4 years old) **Free**

Car tour through the Olles lagoon and Fangar Bay, making stops to learn about the world of rice and spot birds along the entire route. We will visit the Illa de Mar wetland where we will pass through the lagoon to the viewpoint and thus contemplate the mussel beds and all the immensity of the bay. The route ends when you reach the port of Illa de Mar (fishing port of the mussel farms)
